

The 2004 campaign to find the Greater Tucson Area's Best Workplaces for CommutersSM has been a great success, thanks to the cooperative efforts of Pima Association of Governments, the Best Workplaces for CommutersSM Coalition and the U.S. EPA!

This year's "unveiling" will take place at the annual Travel Reduction Program awards ceremony on May 19th at the University of Arizona Student Union Ballroom. The theme for the ceremony is "Join the Winning Team", and the organizations that have qualified for the Best Workplaces for CommutersSM designation have done just that! These employers have gone that extra mile to offer their employees superior commuter benefits, helping take cars off the roads, thus reducing pollution!
